CARR IN TOWN.—Deputy Sheriff Geo. Carr of Gila Bend was in town yesterday, bringing in several prisoners for Florence.

PRAYER MEETING.—There will be prayer meeting held at the Wilson school house every Friday evening. Everybody invited.

PUPILS' RECITAL.—The weekly recital of pupils of the Arizona School of Music will be held Saturday afternoon at 2:30 o'clock. The public is invited to attend.

TO SETTLE OUT OF COURT.—The complaint of A. S. Prescott against the Pacific Gas and Electric company was heard yesterday by the corporation commission and taken under advisement. The commission voted to suspend action in the case pending a possible adjustment of differences between the parties concerned.

MUSICAL TABLEAUX.—Under the auspices of the Trinity Pro-Cathedral Child and women's tableaux will be given at the Woman's club tomorrow evening at 8 p. m. The tableaux will begin promptly at that hour. The ushers will be Edward A. Marshall, Richard Reed and Theodore Saul. Tickets are on sale at the City, the Sun, the Owl and the Central drug stores or they may be procured at the door.

LIST NOT GUILTY.—Geo. List, who has been on trial in the Superior court for several days past, charged with disturbing the peace, was found not guilty. The jury was out all night, reporting at nine o'clock yesterday morning with their verdict. The charge against List was incurred last October, when he paraded in front of the New Palace Cafeteria, proclaiming that the management was unfair to organized labor.

MORE ROBES AND SUNDRIES.—The police have come into possession of another large supply of lap robes, blankets and auto sundries. Among the latter are a saw, a battery tester, a kit of repair tools, several inner tubes, and a large striped piece of canvas. The articles were found yesterday near the capital building, lying under a tree. Auto owners, who have missed any of the above accessories, are cordially invited to call at police headquarters and identify any of them having their brand on it.

SINGLETON ON TRIAL.—Tex Singleton, known from one end of the state to the other, as a daring broncho rider is on trial in the Superior court, charged with stealing horses. It is alleged, that Singleton, in company with a companion, took several horses belonging to James Key, a rancher west of the city, drove them to the southern part of the state, and there sold them. Singleton testified, that the horses were in with a drove that he owned, and he supposed that they belonged to his companion. Singleton was arrested in Flagstaff, but escaped, and was later recaptured on the Mexican border.

WOULD GIVE LIFE TO SERVICE.—Miss Willi Kirksey, 328 North Fourth avenue, formerly in office of M. H. Shelton, is now taking a training course of nurse in the St. Joseph Hospital. Her ambition is to be a Red Cross nurse on the battlefield. Those who have come in contact with Miss Kirksey in business know something of her pleasant personality and courteous service to one and all. Mr. Shelton was very sorry to lose her and yet rejoices with her that she has the opportunity to train for her ideal vocation.

PEDDLERS HORSE ON RAMPAGE.—J. Aaron, a fruit peddler, is the possessor of a temperamental horse. Said horse was hitched to Aaron's fruit wagon, yesterday at the corner of First and Jefferson streets, and took it into his head to leave suddenly. Aaron being totally unprepared for the sudden and unaffectionate leave taking, was summarily thrown out on the unyielding asphalt pavement. He was picked up, and brought to the police headquarters where the kindly ministrations of the city physician brought him back to his natural self. The horse was recovered, and Aaron again asserting command, went on peddling.

It is expected that the case will be finally submitted by the middle of March.

HART COMES HOME.—T. H. Hart of Toledo, O., arrived in the city last night for a visit with relatives. This is not Mr. Hart's first visit to the valley. He was formerly connected with the Hart Wigwam, owned by his sons. At the time of his leaving the east a raging blizzard was in progress, and the change to the sunshine of Arizona is rather agreeable.

W. C. T. U.—World Wide Peace, will be the subject to be handled by Mrs. Nolan before the regular meeting of the W. C. T. U. this afternoon. An interesting program has been arranged by Mrs. Nolan, including a fifteen minute talk by J. E. Buchanan, a worker for national prohibition. Mr. Buchanan worked in the state before the election, and is now continuing his efforts in the interest of wider prohibition. The devotional exercises will begin at 2:15, and the business session will follow. A matter of importance is the election of an agent for the corporation to arrange the articles of incorporation.

CHINA'S PROBLEMS ARE SUBJECT OF LECTURE

"Problems in China" is the subject to be discussed by International Secretary Clinton of the Y. M. C. A., at a business men's luncheon at the "Y" tomorrow noon.

Secretary Clinton, who is now on furlough in Phoenix, has been connected with the Y. M. C. A. work in both China and Japan, and is thoroughly familiar with conditions in those countries. Those who desire to attend the luncheon are asked to phone the "Y" for reservations today.

BUSINESS MEN HEAR LECTURE ON MASTERY

Over sixty business men gathered at the luncheon meeting at the Y. M. C. A. yesterday noon to hear the lecture on self-mastery by Dr. M. J. Exner, lecturer for the international committee.

Dr. Exner, who was formerly sex hygiene lecturer at the Y. M. C. A. college at Shanghai, China, is now on a lecture tour of the United States for the international committee. OLD MAN SOLVES COST OF LIVING PROBLEM

Lives for Nine Years on \$100, and Now Needs a Tent or a Small House—Cooked Out of Doors

Here's a story about the cost of living in the Salt River Valley. For with only \$100 to start with, an old man, crippled with rheumatism has succeeded in living in the land of sunshine for nine years, and it is only now, at the age of 74, he is in need of a few things.

A tent, or a small house in which he can place his bed is the old man's greatest need, according to Humane Officer Canning. This shelter need not be a large one, not in any way pretentious. It is only because his tent no longer affords him a dry place to sleep that an appeal is being made for some sort of a habitation. It was only recently that the old man made use of a stove, procured by Officer Canning. Formerly he did all his cooking on the ground in the open air.

A place for a young mother with a baby one and one-half years old is sought by Officer Canning. He would like to find a place where the woman could work for small wages, or where she would have an opportunity to earn board and clothes.

TALK OF THE TOWN IS ELKS MINSTREL

The Elks' minstrel show which takes place next Monday and Tuesday is the talk of the entire city. Such comments as, "Is it really true that Romaine Fielding will take part?" "Have you heard about Art Rick's new playlet that he is working up for the Elks?" "I never knew that John Murray Anderson is an artist of national fame, and is it true that he will take part at the minstrel show in some of his own creative dancing and staging effects?" "Say, that Redwill is a corker, what he don't get out of that chorus was never intended for 'em." "I've heard of Mr. Meyer and Kisselburg, and see but they have fine voices."

"Have you seen and heard Mrs. Robert Dunlap on the stage?" The footlights lost an artiste De Luxe when she neglected such a natural gift. "Yes, I know that Miss Boyle and Mrs. Matthe are really to take part, because they told me so?" "Say, that Newt Levy has something in his bean, just watch." "I thought Gatter and Ingles were not ever going to take part in a local show again?" "Yes, but this one is to be so good, you know, they changed their minds."

And so on, from start to finish, the east is all strong; the best in each respective line that the city, and in some cases, the nation, affords. Tickets are selling rapidly and the block long line up will be seen Saturday at 9 a. m. at the Central Pharmacy.

JETTIES WILL PROTECT HIGHWAY AT FLORENCE
To protect the north approach to the state highway bridge at Florence from the ravages of the Gila river, whenever that stream goes on a rampage, a series of jetties will be constructed parallel to the fill. This course was decided upon by State Engineer Lamar Cobb after an inspection of the situation at Florence.

A retaining wall, it was found, to protect the bridge approach would be to long enough and high enough to keep water off of most of the country east of Florence. Furthermore it would tend to throw a heavy strain on the bridge during high water. The jetties which will be made of brush and stone, will act as a protection to the road until the water gets up over the top when the approach can be cut, and the bridge thereby relieved. Assistant Engineer W. B. Twitchell will have charge of the construction work.

Dr. Page Addresses Many Workers On Books of Romans—Meeting Place Is Changed

Increasing interest was shown at the second session of the Bible Institute at the Central M. E. church last evening when over 150 people gathered to hear the lecture by Dr. John C. Page, on the book of the Romans. The lesson for this evening will be a continuation of the study of this epistle.

It was decided last night to change the place of meeting to the First M. E. church, and the rest of the meetings of the series will be held at the latter meeting place. Dr. Page will speak at the Y. M. C. A. Sunday afternoon on the subject, "Why Study the Bible?"

GRANDMA NEVER LET HER HAIR GET GRAY
Kept her locks youthful, dark, glossy and thick with common garden Sage and Sulphur

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. For 50 cents you can buy at any drug store the ready-to-use tonic called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant. You will also discover dandruff is gone and hair has stopped falling.
Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur and look years younger.
